**Special Dates:**

Thurs. May 16 - Field trip to Cows N Corn  
Mon. May 27 - Memorial Day – No School

### ***Looking Ahead***

**Our end of the year program will be at 9:30 AM on Thursday, June 13<sup>th</sup> and Friday, June 14<sup>th</sup>. Immediately following our June 14<sup>th</sup> program, we will all meet at Smith Lake Park. June 14<sup>th</sup> will be our last day of school.**

Wow! It is May already. It is finally starting to warm up and before you know it summer will be here. May is a beautiful month. We would like to wish all of our moms a Happy Mother's Day!!

**FIELD TRIP TO COWS-N-CORN** will be on Thurs. May 16 at 10:00am. An information sheet should have already gone home with details. **\*\*Just a reminder that Red Apple cannot transport any children. Parent(s) must accompany their child on the field trip.**

#### **Enrollment for the 2019-2020 school year**

We are continuing to take registration for the next school year. We have a few spaces left. Please see Mrs. Mott or Mrs. Lewis for additional information and registration paperwork.

#### **NOTES FROM THE OFFICE:**

\*It is that time of year again when we begin to review our Parent Handbook. If you have any suggestions or recommendations please pass them along to Mrs. Mott or email them directly to the handbook committee at [redappleschools@yahoo.com](mailto:redappleschools@yahoo.com) We greatly appreciate your input.

\*Our Curriculum Committee will meet in a few weeks to begin the curriculum development process for next year. Often families are able to enrich our curriculum with skills, talents, services and sharing special cultural heritage activities with us. If you have skills, customs, talents, services or curriculum ideas,

please contact Mrs. Mott or email the curriculum committee at [redappleschools@gmail.com](mailto:redappleschools@gmail.com). Many thanks to all parents who have shared their professions, customs, talents, services, curriculum support and volunteered in a classroom throughout this school year. Your support greatly enhances our program.

**FYI:** Red Apple is a developmental private preschool with an emphasis on school readiness skills. Our program is focused around the developmental skills of the young child. We use varying themes each month to promote fun, creativity and learning. As an example, from one year to the next our theme in May might be transportation, weather or circus. Although themes change monthly, the underlying objectives to promote development, fun, learning and school do not.

**\*We are looking for a few good substitute teachers for the upcoming school year. We find that our Red Apple Parents make the best subs! If you are interested, please contact Mrs. Mott or your child's teacher.**
