Thurs. June 13 & Fri. June 14 - End of Year Programs
Fri. June 14 - End of Year Program/Smith Lake Park

It is hard to believe that June is already here and summer is near. Take a look back to September, and it is amazing how much each of our students have grown.

Note* End-of-Year Assessments will go home the last week of school.

Enrollment for the 2019-2020 school year

We are continuing to take registration for the next school year. We have a few spaces left. Please see Mrs. Mott for additional information and registration paperwork.

***We are looking for a few good substitute teachers for the upcoming school year. We find that our Red Apple Parents make the best subs! If you are interested, please contact Mrs. Mott or your child's teacher.**

End of the Year Programs

We will have our end of the year programs on Thurs. June 13 and Fri. June 14. The location is at Summit. The program will promptly start at 9:30 a.m. Come on out and relax while the children sing a variety of space songs. Your child will wear the red apple shirt that they made at school with bottoms of your choice. All children will perform on the days that they attend school. If they attend both days then they will perform both days. The school day will continue as usual after the program is over on Thursday. **On Friday, when the program is over, we will go straight to Smith Lake Park.**

Friday, June 14 – Smith Lake Park

We would like to invite ALL Red Apple families & classes to meet at Smith Lake Park immediately following our program. Please bring your own lunches and drinks and come prepared to play on the playground.

It has been a wonderful year!!! Thank you for sharing your child with us!

Good luck to all of our students moving on. We will miss you!
For our students coming back...we can't wait to see you for the 2019-2020
school year.
