November is here! We hoped that everyone enjoyed our little marchers and singers in our Halloween parades. They enjoyed showing off their costumes as well as their marching skills. They also enjoyed singing a few of their favorite fall songs. A big thanks to the families for bringing in goodies to share.

November is a month for family, friends, and giving thanks. It is a tradition at Red Apple to have a Thanksgiving Feast. Every year this is a time when all of our Red Apple students and their teachers eat a meal together and give thanks for each other. We thank you in advance for anything that you cook or donate. We will also need a volunteer from each class to help with the feast. Please be on the lookout for sign-up sheets at the parent table. This would not be possible without all of our families!

***The weather is changing quickly this time of year. We will go outside every day, weather permitting. Please label your child's coat and other items. Please send in hats and gloves on cold days.

Parent Table: Please check the parent table often as we will continue to post important information.

****Handicapped parking is reserved for those with a permit. We have Red Apple families as well as church members of Summit Presbyterian Church that need and use these spots. Please keep in mind that all disabilities may not be visible. Thank you for your understanding.**

Happy Thanksgiving to all of our Red Apple families!!!
