Tues. Jan. 7 - Return to School

December is here and it is going to be a busy month at Red Apple. The children will be full of excitement as they are making many things for the holidays and observing the holiday hustle and bustle. December is another great chance to talk about giving, sharing and family.

We, at Red Apple, would love to hear or learn about any special family traditions, ceremonies or celebrations that your family may observe during this time of year. Please contact Mrs. Mott or Mrs. Lewis if you would like to share these with the students of Red Apple.

Special Thanks Thank you to all of our families who participated in our Thanksgiving feasts. The food donations were amazing and the help was fantastic. Our students had a wonderful time eating a big meal together. This feast would not be possible without the help of our families!

Reminder Please send your child to school in a coat, hat, and mittens this time of year. We will go outside every day, with the exception of severe weather conditions. Please label all items as little hats and mittens tend to wander.

Inclement Weather: We follow Stafford County Public School policy for inclement weather. When the county closes for the day, we are also closed. If there is a two-hour delay, we are also on a two-hour delay.

Holiday Giving This year, Red Apple Schools will be supporting S.E.R.V.E, which provides food and assistance to Stafford County families in need. We will be collecting specific food items that S.E.R.V.E. needs. Donation boxes will be set up at both our Summit & Countrywood locations during the month of December. Please join us in supporting our community while teaching our children the gift of giving and spreading warmth by helping others.

We, at Red Apple, wish you and your family a safe and joyous holiday and a happy new year!!!!
