**Financial Arrangements** for \_\_\_\_\_ (Print child's name)

The Red Apple School, Inc. is a licensed, private child day school. It is not a child daycare center. We employ yearly contracted professional early childhood teachers, and we maintain small classes. Tuition is based on the cost of operating the school for the school year (typically starting in September through mid-June.) For your convenience, tuition is divided into ten (10) equal payments. This contract is for a minimum of the first semester of the school year, with full year attendance expected otherwise. When you sign this contract, you agree to pay for the semester, unless you meet the Early Withdrawal Requirements listed below. The regular payment schedule for the ten (10) payments is a payment on the 1st of each month **from August through May**. Students who enroll after August 1 will pay the registration fee and the first month and may have an adjusted payment schedule through May. All payments must be completed by May 1st.

**Early Withdrawal Arrangements**

Students who withdraw after submitting this contract through the first full week of the school year are obligated to pay tuition until space is filled with another child. The first month's payment is not refundable.

Students may withdraw from the second semester (January-May) with written notice (either letter or email) submitted and received by the Red Apple School, Inc. by November 15. If written notification is not received by November 15, parents/ guardians are obligated for the remainder of the school year, unless we can fill the vacated space.

**Kindergarten is a full-year program and is not eligible for early withdrawal.**

Military families may terminate this agreement upon giving 30 days' written notice to the Red Apple School, Inc with a copy of their official transfer orders. The official transfer date from the local area will be the basis for the termination of this agreement. The final monthly payment will be paid in full based on the official transfer date and will not be prorated.

Tuition is due the first of the month. After the tenth of the month, a late charge of \$40 will be assessed. All tuition must be paid each month before your child will be allowed to attend the next month. If a financial hardship occurs, contact the accountant through the school email. Please note that we participate in the Virginia Child Care Subsidy program. Contact Child Aware for more information.

Tuition for the second child in the same family will be 5% less for the lesser tuition only (rounded up to the next whole dollar).

A \$37 service charge will be assessed on all returned checks.

**Medical**

The Red Apple will retain an Emergency Medical Authorization and Consent form (Required by Licensing) authorizing the Red Apple to seek medical attention for your child in the event of an emergency when you cannot be reached. You will be responsible for the payment of any resulting expenses.

Virginia requires you to report to the school a severe contagious disease. See the Parent Handbook for details.

I /We agree to pay all costs and expenses, including, without limitation, court costs and reasonable attorney and collection agencies fees incurred by The Red Apple School, Inc. in connection with the collection of tuition and the enforcement of this agreement. Interest charges for payments overdue by more than 30 days will be calculated at 1.5% per month.

I/ We have read the above contract and agree to the terms as stated. I/We also understand that no exceptions to this agreement will be allowed without express written permission from the Red Apple School, Inc. management.
